INTRODUCTION

Each year the Miami-Dade Tax Collectors Office provides an Escrow Tax Procedures Manual to inform all Tax Paying Agents (TPAs) of the requirements and deadlines affecting escrow payments.

According to Department of Revenue Rule 12D-13.021(6) the tax collector shall set forth the procedure to be used between his office, the financial institution and data processing. Financial institutions failing or refusing to comply with the tax collector's information requirements and deadline dates shall be in the same position as any other taxpayer receiving tax notices and paying taxes.

In the past, our staff and Miami-Dade's data processing staff have put forth every effort to assure that escrow payments are efficiently applied to property owners accounts. To enhance this process the Tax Collector's Office requires wire transfers for all payments more than \$50,000.

The Miami-Dade Tax Collectors Office strictly adheres to Florida Statute 213.755, **Payment of Taxes by Electronic Funds Transfer**. The statute reads as follows:

The executive director of the Department of Revenue shall have authority to require a taxpayer to remit taxes by electronic funds transfer where the taxpayer, including consolidated filers, is subject to tax and has paid that tax in the prior state fiscal year in amount of \$50,000 or more. A person required to remit a tax acting as a collection agent or dealer for the state shall nonetheless be considered the taxpayer.

Failure to comply with this payment procedure may result in the loss of the November discount rate.

Please become familiar with these guidelines because noncompliance may affect your payment discount. Remember, mortgage lenders may be liable if a property owner suffers a loss when the lender fails to pay property taxes to obtain the maximum tax discount available (Florida Statute 501.137).

IMPORTANT INFORMATION

- Please discard all prior year "Escrow Tax Procedures."
- Do not mail any items to the Post Office Box.
- Payments for delinquent taxes shall be in the form of cashiers check or money order and must be in the Tax Collector's Office on or before the last working day of the month for which payment is intended. Postmark is not applicable for delinquent taxes.
- Payments for delinquent taxes shall be addressed to:

Delinquent Real Estate Tax Unit
Miami-Dade County Tax Collector
140 West Flagler Street, 12th Floor
Miami, Florida 33130-1575
- The post office will X-ray all packages including those containing cartridges.
- If you would like cartridges sent by private courier, contact Control Unit Supervisor at 305-375-3787 and give your carrier name and account number. All transactions will be C.O.D.
- All new participants must be assigned a code number by the Control Unit Supervisor at 305-375-3787.

NEW MUNICIPALITIES / ANNEXATION

Due to annexation or incorporation the municipality code, the first two (2) digits of the folio number, will change. The other numbers of the folio will remain the same.

In 2003, Palmetto Bay is scheduled for incorporation. The new municipality code for Palmetto Bay is 33. Some folios will annex to Coral Gables, municipality 03 and Medley, Municipality 22.

30-1234-567-8940 – old folio number

33-1234-567-8940 – new folio number

The affected folios can be downloaded from our website

www.miamidade.gov/taxcollector Select Property Taxes then Tax Paying Agents. All folios must be updated prior to producing your “A” cartridge. All error / messages noted from the “A” cartridge must be researched and corrected.

The 2003 tax roll includes a new “blind exemption. Therefore the length of both “B” files has increased. Please see file layout on pages 23 –25 of the manual.

You are required to complete cartridge transmittal form with all cartridge(s), page 14 of manual and submit the wire transmittal form on Page 15 of manual prior to wiring any monies.

Please become familiar and adhere to these procedures because noncompliance may affect your payment discount. Remember, mortgage lenders may be liable if a property owner suffers a loss if the lender fails to pay property taxes at the maximum tax discount available.

**FAILURE TO ADHERE TO THESE PROCEDURES, DEADLINES AND
REQUIREMENTS WILL RESULT IN UNAPPLIED FUNDS AND A LOSS OF THE
STATUTORY DISCOUNT**

PAID IN ERROR PROCEDURE

Due to the number of requests for reimbursements of erroneous payments and to assist you with the process, we have included the refund procedures established by the Florida Department of Revenue.

Refund requests for erroneous tax payments must be made within 24 months of the date of the erroneous payment and prior to any transfer of the assessed property to a third party.

Florida Statute, Section 197.182(1)(a) 4., provides that a refund may be in order when a payment has been made in error by a taxpayer to the Tax Collector. The party seeking a refund must make demand for the reimbursement of the erroneous payment upon the owner of the property on which the taxes were erroneously paid. The demand for reimbursement from the owner of the property shall be sent by certified mail, return receipt requested, and a copy thereof shall be sent to the Tax Collector.

If the owner of the property on which the taxes were erroneously paid reimburses the taxpayer, the taxpayer shall forward the original paid receipt to the owner of the property and submit proof of reimbursement to the Tax Collector.

If the reimbursement is not received from the property owner within 45 days of the demand, the Tax Collector is authorized to make the refund.

In order to process your refund, please submit the following:

- Application for refund of ad valorem taxes form DR-462 (page 19). Form must be filled out completely and notarized.
- Proof of payment in the form of the front and back copy of the canceled check tendered in payment.
- Copy of the certified letter described above.

Please mail above mentioned proof to: The Miami-Dade County Tax Collector, Attention: Control Unit, at the address shown. Failure to submit any of the aforementioned documents will result in a delay of processing.

- b. County taxes + special districts
- c. WRS installment amount due.

(If you use 4%, you have to calculate it and then subtract, instead, use the reverse and multiply by 96%)

2. Compute amount due = ((a + b + c) discounted)

+ WRS

lien interest due as of November +

(WRS lien monthly interest X number of months*)

+ miscellaneous fee (position 95-97).

*(November = 0, December = 1, January = 2, February = 3, March = 4)
